Procolour supplies the 70 colours in the range in 3 forms:

1. Liquid STEAMFIX[®] dye (for fixation by steaming)
2. Liquid HEATFIX[®] dye (for fixation by dry heat)
3. Powder dye (for making liquid STEAMFIX[®] and HEATFIX[®] dyes plus immersion - hot bath - dyeing)

Dye prices:

- Liquid STEAMFIX[®] and HEATFIX[®] dyes both are the same price for all colours (NZ\$)

250 g	500 g	1 kg
12.00	20.00	35.00

- Powder dyes: see the right hand side of Table III for prices. (Table II and III will be supplied upon request to those wishing to use these dyes in powder form.)
