TERMS FOR N.Z. ORDERS

- **Email or fax your order to Procolour for checking and confirmation** before sending any form of payment. Procolour fax: +64 9 299 2015, email: procolour@xtra.co.nz, or postal: Procolour Craft Dyes, 18 Albion Place, Papakura, Auckland 2110, NEW ZEALAND.
- **Local orders will be dispatched only after full payment has been received by Procolour.**
FULL PAYMENT = TOTAL VALUE OF THE ORDERED GOODS (from the PROCOLOUR pricelist) + POSTAGE
- Procolour will calculate **POSTAGE** for you but, if you wish to do it yourself then:
 - Total the individual net weights for each item in your order (from those given in the pricelists). Multiply this total by 1.35 to arrive at the **total packed weight** of the order.
 - Find the postage charges incurred for this **total packed weight** from the New Zealand Post website: <http://tools.nzpost.co.nz/tools/rate-finder/sending-nz/parcels/DomesticParcels.aspx>
- **PAYMENT** can be made to Procolour by:
 - **Direct credit into the Procolour ASB Bank cheque account No. 12-3016-0444830-00**
 - **bank draft** drawn on any NZ bank, favouring Procolour and posted to Procolour.
 - **personal cheque** made out to Procolour and posted to Procolour.
- **Compensation** for order loss or damage during transit:
 - Procolour will work with claimants to retrieve the compensation offered by N.Z. Post.
 - After the time of postage Procolour cannot accept liability for orders.

TERMS FOR ORDERS FROM OUTSIDE NEW ZEALAND

- **Email or fax your order to Procolour for checking and confirmation** before sending any form of payment
Procolour fax: +64 9 299 2015, email: procolour@xtra.co.nz, or postal: Procolour Craft Dyes, 18 Albion Place, Papakura, Auckland 2110, NEW ZEALAND. You can convert Procolour's NZ\$ prices into your chosen currency at www.xe.com/ucc/convert.cgi
- **Overseas orders will be dispatched only after full payment has been received by Procolour.**
FULL PAYMENT = TOTAL VALUE OF THE ORDERED GOODS (from the PROCOLOUR pricelist) + POSTAGE
- Procolour will calculate the **POSTAGE** for you but, if you wish to do it yourself then:

- Total the individual net weights for each item in your order (from those given in the pricelists). Multiply this total by 1.35 to arrive at the **total packed weight** of the order.
- Find the air postage charges incurred for this **total packed weight** from the New Zealand Post website: <http://tools.nzpost.co.nz/tools/rate-finder/sending-internationally/parcels/InternationalParcelsIEC.aspx>
- **PAYMENT** can be made to Procolour by:
 - **credit card and some bank cards, through 'PAYPAL'**(an ebay company based in the USA). Procolour has a Paypal business account enabling credit and bank card payments to be made in US dollars in a fully secure online environment. After your order and it's total cost has been confirmed by Procolour and agreed upon by you, you will get an email request for payment from Paypal. Paypal will guide you through their user-friendly online payment system www.paypal.com/.
 - **bank draft** in NZ\$, drawn on any NZ bank, favouring Procolour. Banks anywhere in the world can provide this kind of simple draft.
 - **personal cheque in AUS\$** (for Australian orders only): Make the conversion from NZ\$ to AUS\$ using the conversion rate on the day of order placement from www.xe.com/ucc/convert.cgi.
- **Overpayments** will be fully reimbursed by Procolour.
- **Compensation** for order loss or damage during transit:
 - Procolour will work with claimants to retrieve the up to NZ\$250 compensation offered by N.Z. Post.
 - After the time of postage Procolour cannot accept liability for orders.
